

All insurance policies carry exclusions. Whilst we have arranged a unique insurance policy that covers most activities and occupations there will always be occupations and activities that cannot be insured.

We have split these up into occupations and activities that need to be specially referred and agreed by Insurers to be covered and those that are an overall exclusion.

Contractor Activities Form

Company Name

Applicant Name

Address

.....

.....

Tel Number

Email Address

Profession

1. Please describe the activities you will be expected to carry out?.....

.....

.....
